

## Changes to PreK Menu Requirements:

The USDA has recently updated the meal pattern for PreK students. Please review the following and implement them starting in January.

### Milk

- PreK students may only be offered unflavored milk at breakfast and lunch.

### Cereal and Breakfast Grains

- PreK students will receive smaller portions and lower sugar grain items. Please order and serve only these entrees designated for PreK.

### Questions

- Please call the office if you have questions about how to implement these changes.
